Grad School Calendar Subscriptions

TEXAS A&M
UNIVERSITY

<http://grad.tamu.edu/Buttons/Calendars>

Service that will allow you to save Graduate and Professional Studies calendar events to your smart device or computer.

Instructions on how to subscribe using your device

Click the headings to view the events listed in a calendar without subscribing

Description of what each type of subscription link is used for:

- RSS Feed
- Download .ics File
- Add to Calendar
- PDF Document

The screenshot shows the 'CALENDARS & DEADLINES' page on the Graduate and Professional Studies website. The page includes a navigation menu on the left with links for HOME, ABOUT, PROSPECTIVE STUDENTS, NEW & CURRENT STUDENTS, FACULTY & STAFF, and CONTACT US. The main content area is titled 'CALENDARS & DEADLINES' and contains the following sections:

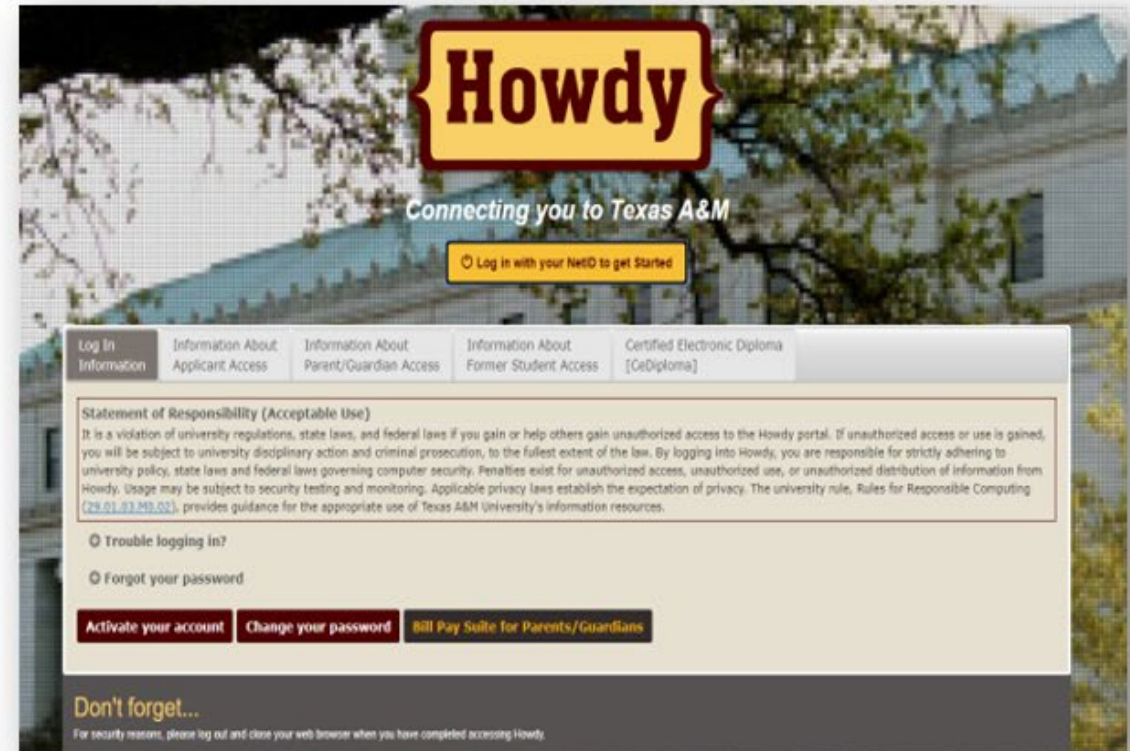

- Year-round Calendars:** This section explains that year-round calendars include event dates and deadlines for the entire academic year (Fall 2014, Spring 2015, Summer 2015). It provides a list of subscription options: Full Calendar, Master's Non-Thesis Option Dates & Deadlines, Doctoral Dates & Deadlines, and Other Dates & Deadlines. The 'Master's Non-Thesis Option Dates & Deadlines' and 'Doctoral Dates & Deadlines' headings are highlighted with blue boxes.
- Term Calendars:** This section explains that term calendars include event dates and deadlines for a specific term. It provides a list of subscription options: Fall 2015, Spring 2016, and Summer 2015.

On the right side of the page, there is a 'LINK DESCRIPTIONS' sidebar with the following sections:

- Add to Calendar:** This option prompts you to add the calendar events to your computer's default mail and calendar application.
- Download .ics File:** This option allows you to download the file containing the calendar events. You can then choose to either:
 - Open the file on your smart device and import the events into your device's native calendar application.
 - Open the file on your computer and import the events into your computer's default mail and calendar application.
- RSS Feed:** This option allows you to view the RSS feed page and URL, that is used when adding RSS feeds to your preferred device. (Must have an application that accepts and reads RSS feeds.)
- PDF Document:** This option allows you to download a PDF document listing the events of the specified term.
