Discussion:

<i>Discussion topic</i>	<i>Notes</i>
Protocol on course naming rights	What extent should one college/ dept have in the naming of another departments course?
Admission Changes	Admissions is proposing changing process from auto-denial to flagging students and notifying program to research BS3 program to determine bachelor's equivalent or department program could deny the department
Language	Do automatic denial but add language to student that they can request exception
Titles	Title should be descriptive and the syllabus should be detailed enough to describe what will really be taught

Code	Title	Status	Initiator	Received	Will sections of this course be taught as non-traditional? (i.e., parts of term, distance education) (non_traditional)	Meeting Notes
