International Spouses Forum (ISF) - TAMU

Hello
Ciao
Bonjour
Guten Tag
Aloha
Shalom
Hola
Hej
Kon-nichiwa
Olá

Learn about other cultures!

The purpose of Dinner in a U.S. Home program is to match international students with a host from the Bryan/College Station area. Through this program, students and host will enjoy a casual dinner together.

Dinner in a U.S. Home is an excellent opportunity to learn about cultures and share your personal experiences with your host or student!
Thanks and Gig'em!

Share your experiences!
